Foreword

For more than twenty-five years the breeders in the vicinity of Columbus Grove, Ohio, with a few from other parts of the state, have been joining in annual auction sales of the products of their herds. In recent years, due largely to the use of great bulls, several of which are pictured in this catalog, the consignors to these sales have been showing marked improvement in quality. This year the cattle that have been entered for the sale are more desirable as individuals as well as from a pedigree standpoint than ever before. A few of the sale cattle also have their pictures in the catalog and are representative of the entire offering.

About half of the consignors have been showing cattle at State and County Fairs and quite a few winners are included in the consignments to this sale. Ever since the annual Cleveland Junior Live Stock Show was started the grand champions have been Shorthorns produced in the herds of consignors to this sale and shown by their boys and girls. It is well known that this is one of the largest junior shows in America having some times as many as 600 entries.

We invite you to be our guests at Columbus Grove, Ohio on Tuesday, November 4, 1941. We are sure you will profit by attending the sale regardless of whether you buy. We know that those will profit most who will do the most buying at the sale.

The Columbus Grove Shorthorn Breeders Ass'n.
